# Pack Up Team Member

## Position Description

### Purpose

Our goal at WEC is to **make and mature disciples of Jesus**. The Logistics team is made up of Set up and Pack up teams. The Logistic teams enable our church family to meet in a suitable venue by transforming the Christian college hall into a building suitable for running a church service. The tasks completed by Logistics often go unrecognised. Without carefully setting up the facilities we use, we would be unable to meet together publicly on Sunday. This would seriously hamper our ability to grow people in the gospel and welcome newcomers. Without packing up and leaving the hall in good condition the College would not be inclined to continue renting the hall to our church family. The Logistics team is not simply doing a task, but bringing great honour to God as they love our church family, newcomers and the school in which we meet.

### Brief Description

The Pack up team member will be responsible for packing up the main hall and drama room at the Christian college following our second service at 11am.
